

Love God. Love Neighbor. • Make Disciples.

We will...

Be the Church.

- Strive to be a healthy, vibrant Acts 2 church who Loves God, Loves Neighbor and Makes Disciples. And *have fun* doing it.

Be the Church in Christ.

- Engage in active, intentional prayer and study of God's word.
- Define membership as discipleship-growing in Christ and living to serve.

Be the Church in Community.

- Commit to growing a culture of loving relationships through encouraging and listening to others, laughter and humor, intentional lay driven pastoral care, and *taking 100% responsibility* for our own actions.
- Become a church of holistic small groups, not just a church *with* small groups.

Be the Church with a Cause.

- Use our gifts to serve those who are far from God, those with whom we have a personal relationship, and see that they hear the Gospel and invite them to experience Christian community.
- Demonstrate Christ's compassion in the community and the world.

Be the Church: Go Team!

- Build an *equipping* church culture, utilizing a *team* approach and a system of *gift-based* ministry.
- Shape and streamline structures, policies, and processes to align them with our core mission and to make them empowering and permission-giving.

Be the Church: It's Your Call.

- Encourage each member to discern his or her unique, personal call from God to *Be the Church* in the world.
- As faithful stewards, do what it takes to realize the church God wishes to see in the world.

Be the Church that Celebrates.

- Gather to give God thanks for His generosity and abundant grace.
- Invite others to engaging and inspiring worship experiences.

**Jesus, make us the
church you wish to see in
world. Amen.**
